

Application No: 10/634,330
Docket No: FA1144 US NA

REMARKS

Status of the Application

A Notice of Appeal was filed on May 12, 2006.

Claims 2 and 3 have been amended. Claims 1 and 7 had been cancelled and Claims 4-6 and 8-18 had previously been presented. Claims 4-6 and 8-11 are dependent on Claim 2 and Claims 12-18 are dependent on Claim 3.

Amendment under 37 CFR 41.33

On review of the claims during preparation of an Appeal Brief, Applicants' attorney noted that there was no proper antecedent basis for "the" adhesion promoter in paragraph B) of Claims 2 and 3 that were presented for appeal to the Board of Appeals. Claims 2 and 3 paragraph B) have been amended and state "an" adhesion promoter. The amendments to the claims should be entered since the claims are now in better form for consideration on appeal. [See MPEP 1206 I., (C)]. Applicants respectfully request that the amendments to Claims 2 and 3 be entered.

If there are any question concerning the above amendment, the Examiner is invited to contact Applicants' attorney at the telephone number below to resolve any remaining issues. Please charge any fee due which is not accounted for to Deposit Account No. 04-1928 (E.I. du Pont de Nemours and Company).

Respectfully submitted,
